23. Customer Approval Zatwierdzenie przez	1		24. Date	
Zatwierdzenie przez klienta			Data	
N PER NO	1			

## Please notice requirements given in new rev "G" of instruction 150

- All fields in FAI Report shall be filled in. When some fields do not have to contain any data, the "N/A" shall be used.
- When supplier has assigned the Pratt&Whitney Canada vendor code, but the purchase order is placed by WSK"PZL Rzeszów" S.A., on the FAI Report documentation the vendor code given by WSK"PZL Rzeszów" S.A. shall be used.
- Each measured characteristic that is listed in Form 3, shall be stamped and signed by person who performed the measurement.
- For each requirement that is defined by numerical tolerance, the actual measurement result shall be given (e.g. break edges, hardness, other given in drawing notes).
