Attention:

Dear Suppliers, recent update to Instruction #150 is a result of constant improvement of our quality management system which was encouraged by:

- feedback from Suppliers,
- detected deviations and quality escapes which concerned the product or quality requirements,
- imperfections observed during quality audits,
- unification of quality systems,
- improvement of communication.

This Bulletin is to be treated only as an indication for recent update of Instruction #150 and does not release Suppliers for mandatory requirement to become familiar with the content.

Latest revision of the Instruction #150 revision F is available on our web site:
