GO BEYOND

Dear Suppliers,

November 2nd 2020 new functionality will be available for Suppliers – electronic Quality notification **eZN**.

Present method of Quality notification with use of excel ZN form (attachement 19 01/ESCO and 03/ESCO) will be available only for parts with export control. These parts will not be accessible on Supplier Portal and **eZN** system.

New functionality provides two system solutions on Supplier Portal:

1. Create **eZN**
2. Display list of **eZN**

In order to report **eZN** Supplier must log in to applicable portal using one of below links:

<https://eportalpwr.pwc.ca> – login beginning with PR should be used

<https://eportalpwt.pwc.ca> – login beginning with PT should be used

<https://eportalpwk.pwc.ca> – login beginning with PK should be used

In order to receive login and password please contact P&WP Account Specialist.

In order to receive support during reporting **eZN** please contact P&WP Quality Specialist.

Please find attached cookbook describing **eZN** reporting process.

In a case of any questions please send your reply to received bulletin email address.
