

Quality Bulletin

Published by Supplier Quality Assurance Department

Dear Suppliers,

We would like to inform you that authorization for use of P&WC DQR Program was extended for all P&W Poland Company. In the result of this agreement (Supplier Quality Agreement) with P&WC was updated. The subjected agreement is attached to e-mail that this bulletin was provided and also it is an *Attachment no 15* to Instruction 01/ESCO.

What does it mean:

P&W Poland is authorized to use P&WC DQR Program for over inspection and release products that are ordered by P&W Poland Company.

Given authorization applies to all three P&W Poland sites – P&WR, P&WK and P&WT.

The next step will be to update the purchase orders (P&WK and P&WT mostly) with additional clause that will require the use of SCOP DQR for P&WC End use product.

In coming month Instruction 01/ESCO will be updated also.

It is very important to go through this Agreement carefully and be familiar with required responsibilities.

This change becomes applicable starting from today.

In case of questions or doubts concerning interpretation of mentioned above change, we would like to ask you to send e-mail on the address: SupplierQA@pwrze.utc.com titled: "Bulletin 80".

Thank you for your cooperation,

SQA Group of P&W Poland Company
