QUALITY BULLETIN

Published by Pratt & Whitney Company in Poland

Dear Suppliers,

Pratt & Whitney in Poland kindly inform you, that new revision of the **Instruction 01/ESCO „Quality Requirements for Suppliers”** was issued. **Current revision is G/23.**

All implemented changes to mentioned above Instructions are highlighted using [blue font](#). Additionally, in last section of this Instruction all introduced changes are presented and described. All Instructions are available on P&W webpage: <https://pwrze.com/en/suppliers/quality-requirements>

At the same time, we would like to remind you that as per several communication in 2022, the ASQR-01 revision 13 has been already in force since January 1st 2023. This document obliges suppliers to implement the requirements of the AS13100 standard. The requirement becomes effective by referring ASQR-01 on the purchase order. The new ASQR-01 is available on the RTX website at the link below: <https://www.rtx.com/suppliers/United-Technologies-Suppliers/United-Technologies-ASQRD>

On <https://aesq.sae-itc.com/supplemental-material> website you can find all referenced material (RM) to which AS13100 refers to – referenced materials are for free. In addition, all information and guidance given in RM it is the best way to meet requirements of AS13100 however, it is not mandatory and you are allow to use your own solutions, records, instructions to meet the requirements.

In case of questions or doubts concerning interpretation of mentioned above change, we would like to ask you to send e-mail on the address: SupplierQA@prattwhitney.com titled: “Bulletin 127”.

Thank you for your cooperation.
